About Carneli

Carneli was launched in 2015 in France, the cradle of innovation, creativity, art, and aesthetics. It has a competent group of experts and uses state-of-the-art technologies to produce excellent fragrances. Carneli fragrances smell like a sweet journey in heaven; and then Carneli went even beyond French borders and landed in modern, luxurious Dubai with an amazing cultural background in an effort to introduce excellent smells. Carneli seeks a huge craze and a love story of smells.
